PIANOS, MUSIC

Don't buy thump boxes or agony tanks with pretty cases and mandolin attachments, such as irresponsible nomadic peddlers palm off as high grade instruments, but if you insist on that kind of goods we can supply you for \$175.00 to \$200.00, etc.

We would much rather sell you an instrument that can be guaranteed, such as the BALDWIN CO.'S Pianos awarded grand prize and cross of the Legion of Honor, Paris Exposition 1900. The HAMILTON, made by the BALDWIN CO., diploma and silver medal, Paris 1900. The CHICKERING & SONS BEHR BROS., FISCHER, MASON & HAMLIN, KIMBALL PIANOS. Terms Easy.

LONG EXPERIENCE, REMARKABLE CURES OF DISEASES AND WEAKNESS OF MEN

The age is one of Specialty Work, this is notably true in Medicine. Skill, experience and complete mastery of all elements treated is required. If your vitality is depleted, if you have been made worse by self-experimenting with electric belts, so-called specialties, free samples and trial treatment, it is high time you stopped such foolish methods. Set yourself on the right track or you will soon be physically wrecked. Any man who has a disease which has brought on Nervous Sexual Debility, Syphilitic Blood Poison, allied troubles, should call at my office and without charge get an explanation of my methods, and satisfy himself of my skill to treat him scientifically and successfully. CANCERS AND EXTERNAL GROWTHS REMOVED WITHOUT THE KNIFE OR SEVERE MEASURES.

"A LITTLE FARM WELL TILLED"

Editor Arizona Republican:

El Paso wants to buy, beg, borrow or steal a few—just a few—of the skilled, successful and prosperous irrigation farmers who have made your locality famous. We want especially men who know all about truck farming and fruit growing, and who can apply intensive methods of culture so as to make a farm of ten to twenty acres of the most fertile river bottom in the world yield a net income of \$2,000 to \$5,000 per year. We want such men to demonstrate by example what can be done here. Our lands are cheap. Water for irrigation is abundant, obtained partly from the river and partly by pumping from wells. Land irrigated with the muddy Rio Grande water needs no other fertilizer. The facilities for marketing farm produce here are the best in the arid west—eight railroads. For booklets and maps (sent free) write to Chamber of Commerce, El Paso, Texas.

Lots of men who have self-restrained enough not to swear when they bark their shins on a rocking chair let their temper go all to pieces when they run up against a postage stamp with no mutilage on it.—N. Y. Press.

and BEAR'S CREME

The success of Perl-La-Creme lies in its purity and the care we take in making it. Ladies will find a lovely difference between Perl-La-Creme and the so-called cremes. Gentlemen will find it also to use after shaving. Others offer you cremes, but no one on earth makes Perl-La-Creme but
